Volunteers needed!
Our Book Fair is only successful because of wonderful volunteers. We will need help setting up and packing up, before and after school, during 1st and 2nd breaks and during the Twilight Event. First break, Junior School students will be allowed access; second break will be for Middle and Senior School students.

Twilight Event: Thursday, 7 Nov. 6:00 – 7:30 pm

- Videos about bugs will be shown throughout the evening.
- Two $20 Lucky Door prizes will be announced during the evening.
- Treasure Hunt: Come and find our 20 reading bug images. (Where’s Wally style)
- Find the picture of a specific bug reading and write down its location on the entry form.
- The first two correct entries drawn at 7:00 pm will win 6 insect cupcakes decorated by one of our parents, Julie Kater.
- Entrants to competitions don’t have to stay for the draw to win.
- Bug themed craft
- Relax, read, browse
- Cordial available for students
- Tea and coffee for adults

If you can help, please email Mrs Peachey at library@redlands.qld.edu.au or call the Library on 3286 0213 with these details: your name, phone number/s, your email, your child’s name and class, time/s you are available to help.
**Keeping $$$$$ Safe!**

If your child would like to purchase from the Book Fair, it would be greatly appreciated if you could visit the Book Fair with your child as you can then guide them in the quality and amount of their purchase. It also minimises any concerns about money being lost. Please do not send them with cash except on the specified day.

*The Twilight Event would be a great time for those who can’t come during the day.*

If it is not possible for you to attend with your child, you have three options:

1. **Pay online** (similar to book club ordering) using the credit card option on the back of the Scholastic brochure that will come home with your child. Specify the exact items you wish to be purchased. Make sure you write the receipt number on the form and send it with your child to the Book Fair. All books (except Wacky Packs) can be ordered if sold out. Be aware that stationery items and posters *cannot be ordered once sold out*. A similar item will be substituted if requested stationery item is unavailable.

2. **Write your credit card details on the back of your child’s wish list** which will be provided during class browsing time. Write or highlight items to be bought and send it with your child to the Book Fair.

3. **Place money for your child’s purchase in a sealed envelope**. Write their name, class and amount enclosed on it. *Send this envelope only on Friday, 8th November.* Please make sure it goes straight to the class teacher - do not leave it in a school bag. Mrs Peachey will take these children to the Book Fair with their envelope during the day. Change will be sealed in the envelope and returned to the class teacher to be taken home by the child that afternoon. Please consider what an appropriate amount would be for your child to bring to school.

**Donate a Book**

- Choose a book specified on a class or Library wish list.
- Let a volunteer know which book you wish to purchase from the Book Fair to donate and whether it is for a class or the Library. They will locate the book for you.
- Your child will choose one of the foods that the Very Hungry Caterpillar liked to eat. A coloured sticker on the back will indicate which thank you gift has been chosen. It may be a stationery item, lollipop, book voucher or poster.
- Donors will be acknowledged on assembly, the College blog and on a bookplate placed inside the donated book.
- Students who make a donation will be invited to an exclusive morning tea during which the children will be allowed to view an episode of *Beat Bugs* and will participate in a comprehension quiz.

**Christmas is around the corner.** Picture books, novels, puzzle books and colouring books make great presents. Popular stocking fillers such as novelty pens, erasers, sharpeners, activity packs and diaries are also available.

**Competition**

When their class comes to preview the Book Fair, children will be able to estimate how many bug lollies are in a jar. The EFTPOS available as well as cash sales.
